# SUMMER AT FLAGSTAFF HILL

## PROGRAM FEATURES

**Kids Garrison - A Day in the Life** Dress up in costume and experience a day in the life of a Warrnambool Garrison Soldier. Face to the right, march and halt and perform a basic musket drill re-enactment before watching the firing of the 80 pound cannon.

### **Maremma Penguin Protectors**

Learn all about the Little Penguins living on Middle Island in Warrnambool and how the Maremma dogs protect them from predators.

No contact with dogs permitted.

Socially distanced photos only.

Limit 30 people. Booking required at Flagstaff Hill Reception.

### **What's That? Wednesday**

There is more to Flagstaff Hill Maritime Village than you may think. This tour will open your eyes to the significance of some of the often overlooked items and the stories they hold.

### **Busking on the Wharf**

With free entry to the Maritime Village after 2:30pm relax to the sounds and visual spectacles of local buskers and street performers with yummy food and cold beverages from the Steam Packet Inn.

### **Meet the Boat Builder**

Meet our very own boat builder and hear all about his specialised craft, the tools of the trade and what it takes to build and maintain traditional wooden boats.

Content subject to weather conditions as some demonstrations cannot take place on total fire ban days.

## KIDS CRAFT ACTIVITIES

### **Cooking Up A Storm**

Using a traditional recipe, measure & mix to create yourself a take home bag of yummy treats. Be careful you might find it so yummy it won't make it home!! Suitable for 5 – 15 year olds.

Limit 30 children. Booking required at Flagstaff Hill Reception.

### **Pet Rocks\***

Design and decorate your own pet rock. The perfect desk pet and friend that will be your 'rock' through the good and bad times. 100% rock solid guarantee to never leave you! Keep it with you always.

### **Beadie Bugs\***

With wire and beads twist, thread and bend your way to making this gorgeous creature. Sit it on your desk, hang it from your school bag so it goes everywhere with you or make your own bug family for your home.

### **Maremma Coasters\***

Using a variety of materials and images decorate a coaster with a scene that reminds you of the Maremma dogs and Little Penguins that inhabit Middle Island over summer.

### **Origami Boats\***

Learn how to fold a piece of paper using the Japanese art of origami to create a boat that actually sails. It's easy! You could end up with a whole fleet of sailing boats to sail in our harbour.

### **Dangly Dragonflies\***

These are so cute and super easy to make. Attach them to the end of a stick and watch them dangle in the lovely summer breeze.

### **Bookmarks\***

Scratch and scrape the top surface of these bookmarks with a wooden tool to reveal brilliant rainbow colours. Make patterns, draw or colour in, attach a ribbon to the top and use it to save your place in your favourite summer reads.

### **Triton Woodworkers**

Fun and easy woodwork activities for the kids. Choose from a wide selection of pre-made kits to build. With a friendly team of helpers on hand. D.I.Y has never been this much fun. (while stocks last)

\* Craft activities will be open for children to attend anytime between 11am and 2pm. No bookings required
